The Frank McWhorter Co. have a few winter overcoats to close at a discount; see them before buying elsewhere.
The committee of ladies of the hospital aid association are busy these days distributing bags, to be filled with good things for the Barre hospital, Wednesday, Oct. 25, being "bag day."

IN LOOKING OVER OUR STORE

we find a great deal more kinds to advertise than we have room to mention. Our stock being so much larger than in past seasons that we have added one-third more to our advertising space and now really need it all for our second floor garment advertising, and as much more for our dry goods department down stairs. It's a year of more business for us and we are doing the best we can to take care of it. The following are desirable kinds, as we price them.

Children's Hats

Many wonder where they can find Children's Hats. Others know that we have them and come here for them.
Our cheaper Hats are 25c. A good quality and style Hat for 50c. We have the Velvet and Silk Bear up to \$1.65 in all of the small children's sizes.
The Aviation Cap, made of worsted, at 50c and 75c, for children are just now our best sellers.

Children's Dresses for the smallest size. We have both Long and Short Dresses in white at 25c each. We make a specialty of Dresses at 50c in white. All sizes from 6 to 14 in white and colored are carried in our garment department upstairs. These Dresses are all well made and have a style that home-made Dresses do not have.

Ribbons

If you are not a ribbon customer of ours, you are not doing as well as you can. Just ask to see three lots that will tell the story. A lot on our table, very heavy, two widths, 19c and 25c. One lot of Tancos on our center show case as you enter the store at 25c. Either of these three values will save you one-fourth your money.

Dress Goods

Our enlarged line of very new Dress Trimmings has helped us to a much better Dress Goods trade. We are now selling lots more of the better kinds of Dress Goods, particularly Dress Silks.

Our selling a yard-wide Warranted Lining Satin—a dollar Satin—for 87c hasn't hurt the sale.

When we announced that we had 14 colors in a Brainerd and Armstrong yard-wide Messaline to sell for \$1.00—not \$1.25—it brought trade that very same day.

We hold very close to Brainerd and Armstrong Silks in all grades. We believe that they have the Silks that do us good to sell.

We are selling for young ladies' dresses an All-wool very soft fine Serge in all colors, light and very dark red, navy blue two shades, brown, green and black at the price of common Serge, 50c per yard.

Our Wool Taffeta at \$1.00 and our 54-inch Spotless Shrink Serge in dark red, navy and black at \$1.25 are both specials.

Ladies' Separate Skirts

The demand for Separate Coats has also created a big demand for Separate Skirts. And as the season advances, we find our sizes in colored Skirts badly broken in many styles of cloths that we cannot duplicate.

These we are anxious to clean up and in order to do so we are making some very low prices on them.

At \$3.98 are a number of different styles and cloths that we cannot duplicate. They are our best values, that we have sold all the season at from \$5.00 to \$5.75. If your size is here, you can get an extra value.

At \$2.50 are a few odd Skirts in plain colors, blues and browns.

At \$3.98 are a few odd Skirts in plain brown and blue. These are a good styled skirt, made of an all wool panama, are Skirts that sold at \$5.50 and \$5.75.

At \$4.50 are three Skirts in a good gray mixture; are new Skirts, but cloths are closed. Were \$6.50.

At \$5.00 are a few odd Skirts that sold at \$7.50. To close at \$5.00.

Children's Coats

We have just received another lot of Children's Cloth and Silk Bear Coats. These are Coats we have had a large demand for this season. This is the third lot we have had this season.

The Silk Bear Coats come in sizes from one to six years, and are a very serviceable Coat. Will wash as nicely as a white cotton. We have the plain ones at \$2.50 to \$2.98 and \$3.98. The curly ones at \$2.98, \$3.98 and \$5.00. These are surely the popular Coat for babies and small children.

We have these Silk Bear Coats in colors and also have a Corduroy Coat in white and colors that is a good value at \$3.00.

At \$2.98 we will give you a good Cloth Coat. Has the cape over shoulder and is lined. These come in sizes from two to six years.

For an extra warm Coat, the imitation racoon is as good as ever. Comes with the heavy quilted lining.

In the better grades, such a Broadcloth and Kerseys, we can give you some extra good styles and values.

New lot of Ladies' White Sweaters with roll collar and pockets. All of our Golf Gloves and Mittens are displayed on our tables.

Because of a vigorous protest made by some local clergymen and others, work on paving Main street was not conducted yesterday for the first Sunday in several weeks. The clergymen entered protest some days ago, and on Saturday visited various city officials, as a result of which the corner of Main, Elm and Washington streets, where the contractors are now engaged, was a quiet place although the district was so torn up as to be well-nigh impassable. One of the reasons advanced for Sunday work on the streets was that the public necessity required as prompt finishing of the work as possible to avoid possibility of accidents. The work on this job is now well along. This morning the horse and dog fountain was torn up, so that paving blocks could be laid. A new granite fountain is to be placed on the square, a little nearer the park than the former location.

"That City Feller."

Our hero is first introduced to us in a city club room, where, thoroughly disgusted with himself, and broke, through his folly, he makes the manly resolution to straighten up and go home.

The only article of value left after his last night at the club are his watch and ring. These he determines to sacrifice, and deposits them with Uncle Ike for fifty dollars, which he invests in a railroad ticket for Reedville.

His arrival in Reedville causes quite a flutter among the female population, and he makes quite an impression on Weenie, daughter of the owner of the Commercial hotel. She soon gave Chuck Smithers, her most devoted admirer, his "conge," for which he never forgives Moore.

Moore, in casting about for employment, meets a German grocer, who gives him work on his delivery wagon. While attending to his duties, Charles meets Judge Taylor, and later his honor's daughter, Miss Virginia. Now, Miss Virginia had for a long time been courted, ardently but ineffectually, by Joe Muggs. But from the moment she met the "city feller," Joe stands by a sorry chance. A very amusing photoplay. It's at Dreamland.
